What interests your school most about speech and debate?

What is the best way our league can help your school be successful?

What is your primary goal this season?

Eligibility

The LFA speech and debate league is tailored exclusively for private Christian schools. Therefore, only private Christian schools who agree with the league statement of faith are eligible to become members.

Speech and debate is primarily a high school activity for freshmen through seniors (grades 9-12). However, junior high students (grades 7-8) can participate as well. Please note that there is not a novice and varsity division. Nor is there a junior high and high school division. All students compete together no matter their grade or age.

Membership

Both school and student memberships are required for participation in the LFA or any LFA sanctioned event. School and student memberships are valid for the entire speech and debate season, which runs the length of the school calendar. Speech and debate tournaments normally occur October through April each year. School and student memberships are renewed annually.

Registration for membership in the LFA requires that each school and participating student submit a complete membership application and pay appropriate membership dues. Once school and student membership registrations are complete, staff and students are eligible to participate in league tournaments, events, and other offerings.

Additionally, during registration, each student completes a survey at the beginning of the speech and debate season. Students are ineligible to compete until both school and student membership registrations have been completed.

Dues

Membership dues are simple and all-inclusive. There are no surprise costs or hidden fees. School membership dues are \$500 per season. Student membership dues are \$60 per student per season. Tournament entry fees are separate from membership dues and are priced according to each tournament host. Membership includes all training, support, access to competition, and resources.

School membership dues must be paid before students can compete and are due by September 30. For students, there is a separate deadline for each semester. The first semester deadline for student registration is October 31. The second semester deadline for student registration is January 31. If a student is paid for first semester, he or she will not be charged again for the second semester. This is only for late start schools or students joining in for just the second semester. Invoices for student membership dues will be sent out after each deadline. Please note that your school will be invoiced for each student that registers regardless of their competition status.

Statement of Faith

We believe...

...that the Holy Scriptures, comprised of the 66 books of the Old and New Testaments, are fully inspired by God and are therefore infallible in the original writings and completely trustworthy in all areas in which they speak.

...that there is only one eternal, almighty and perfect God. Within the Being of this one true God exist three eternally distinct and coequal Persons: the Father, the Son, and the Holy Spirit. These three Persons, also referred to as the Trinity, are the one true God.

...that Jesus Christ is the eternal Son of God, the Second Person of the Trinity, who took upon Himself human flesh through the miraculous conception by the Holy Spirit in the womb of the virgin Mary. He who is true God became true man, uniting two natures in one person forever. Christ lived a perfect, sinless life, died on the cross as an atoning sacrifice for our sins, rose bodily from the dead, and ascended into Heaven where He now serves as our High Priest, our only Mediator.

...that the Holy Spirit is the eternal Third Person of the Triune God, the Regenerator and Sanctifier of the redeemed, the Bestower of spiritual fruit and gifts, and the abiding Advocate who empowers believers for godly living and service.

...that Adam was directly created without sin and in the image of God and did not evolve from preexisting forms of life. Through the fall of Adam that image of God in humanity has been defiled, although not eradicated. Every human being is radically corrupt and estranged from God. Human beings are condemned by God because of their descent into sin through their relationship to Adam. The desperate need of humanity is forgiveness of sins and consequent restoration of fellowship with God; yet humans remain totally unable to atone for and restore themselves.

...that Jesus' death on the cross provided a substitutionary atonement for the sins of humanity. We believe that man is justified (saved) by grace through faith in the shed blood of the Lord Jesus Christ without any mixture of works.

...in the existence of Satan and that hell is a place of eternal conscious punishment for him, his host, and all unbelievers.

...that the Christian church is composed of all persons who through saving faith in Jesus Christ have been regenerated by the Holy Spirit. Corporately and individually, its members strive to worship, serve, and glorify God through prayer and praise, diligent study and application of the Scriptures, evangelism, sanctified living, good works, and observance of the rites of baptism and the Lord's Supper. The mission of the church is the discipleship of all nations - not only the saving of souls but also the bringing of the gospel to bear on every aspect of life and thought.

To become an LFA member, your school must agree with the league statement of faith as well as the "Nashville Statement" on marriage and sexuality. You can read the latter online at: www.cbmw.org/nashville-statement.

Yes, our school agrees with these doctrinal statements of faith.
